Please take your time to read this mail; this is not spam. It's a real message sent to you. I sent this mail praying for it to reach you in good health, since I myself is in a very critical health condition in which I sleep every night without knowing if I may be alive to see the next day, because of the medical report given to me by cancer specialist. I am Mrs. Halona Johnson, a widow suffering from a long time illness. I have some funds I inherited from my late husband, the sum of \$5.500.000 (Five million five Hundred Thousand US Dollars) my Doctor told me recently that I would not last because of damages in my organs

Having known my condition that is why I decided to donate this funds to a reliable and trustworthy person that will utilize it the way I am going to instruct herein. I need a very honest and God fearing person who can claim the funds on my behalf and use it for Charity works. Such as orphanages homes widows and also build schools for the less privileged that will be named after my late husband if possible.

I took this decision, because me and my late husband do not have any child of our own who will inherit this money before anything happen to me here, Please I want your sincerity and urgent answer to know if you will be able to execute this project, and I will give you more information on how the funds would be transferred to your custody OK,

I am waiting for your reply.

Sincerely Yours,
Mrs. Halona Johnson
